Karyllan,

We will respond shortly to Bill's letter but meanwhile, Vinson & Elkins did submit a SOW for the bioremediation study in May. I am attaching it to this email. Apparently it has been uploaded to a website -- <http://in-ecobioremediation.com/documentation/> -- but I have not reviewed that document to confirm that it is identical to what was submitted to EPA.

Regards,

-Sarah

Sarah --

Please see the attached letter from Bill Hyatt. I also wanted to know if EPA had received any work plans/SOWs related to Tierra's bioremediation proposal?

Thanks.
